

FAFLICK GOES TO MARION STEAM SHOVEL

A. A. Faflick, manager of the Dostal Products company, severed his connection with that firm Saturday night and left this morning for Marion where he accepted a position in the sales department of the Marion Steam Shovel company, being in the office for a month before going on the road for that firm. Mr. Faflick will continue his residence here temporarily. His many friends will wish him success in his new endeavor.
