

DOSTAL PRODUCTS CO.
REDUCES MILK PRICE

Another Big Local Distributor Makes Cut

The prevailing price of milk in Bucyrus today is 12 cents per quart and six cents per pint, the Dostal Products Co., today announcing a cut to that figure, that company's announcement following on the heels of the announcement of the Dairy Products Co., of a cut to 12 cents.

Dostal Products Co., further announces a reduction in the price of coffee cream to 12 cents per half pint, and whipping cream to 13 cents per half pint.

A. A. Faflick, manager of the Dostal Products Dairy dept., states that the reduction is in line with the reduction of the wholesale price paid by this company.
