

## "BIG BROTHER" PLAN IS LAUNCHED HERE

First Banquet to be Held on  
January 25th; Officers  
Are Selected

A meeting of local citizens interested in forwarding the "Big Brother" movement in Bucyrus was held on Tuesday evening at the Elks club. Tentative arrangements for the formation of a local organization here and for holding a banquet were made at the meeting. Edwin S. Lewis was named as chairman and A. A. Faflick as secretary.

Those present at this meeting included Edwin S. Lewis, A. G. Stoltz, John R. Patterson, Robert S. Carroll, Walter Patton, A. S. Cunningham and A. A. Faflick. Others will be invited to join in the movement.

All present pledged support to the idea and a date was selected for the first banquet which will be held on the evening of January 25 at 6:30 at the Elks club.

Letters will be mailed to the entire membership with enclosed cards asking each man to give the name of the boy whom he has selected and will bring to the first banquet. Those who make no selection will be assigned a boy by the committee in charge.

Supt. Patterson was instructed at the meeting to make every effort to secure the services of Lewis E. York who is superintendent of schools at Massillon for the speaker for this banquet. Mr. York is a leader in boys work and is a chautauque speaker very much sought after all the time.
